Input the received login data (username and password) than press "Login"

STATICS EXAM – PROBLEM SOLVING

2. After logging you will need to check if your account data is correct and then access the content of the **Test**.

The screenshot shows a Moodle course page titled "Examen Statica - MECN UTCN RO". The page is annotated with several elements:

- Main menu:** A red box highlights the "Main menu" section, which contains a link to "Test Statica". An arrow points from a blue callout box to this link.
- Navigation:** A section containing "Home", "My home", "Site pages", and "My profile".
- Settings:** A section containing "My profile settings".
- Calendar:** A section showing "May 2020".
- User Information:** A red box highlights the text "You are logged in as Grupa Nume Prenume (Logout)". An arrow points from a blue callout box to this text.
- Moodle Logo:** The Moodle logo is visible at the bottom center.

Callout Box 1 (Left): Accessing the content of the **Test** (the name of test is displayed).

Callout Box 2 (Right): Check your data first of all. It should be displayed as **Group Surname Firstname(s)** (eg. **32101 Pop Ana**).
If they are not correct, notify your teacher.

3. Accessing the Statics Test

Read the details of the **Test** content carefully.
 Access to the test is open only within the specified interval
 (in this picture you can see an unopened test).

Test Statica

Examenul are durata de 1h 30 minute.

Testul cuprinde 8 aplicatii, impartite dupa punctaj, astfel:

- 2 probleme de 2 puncte
- 4 probleme de 1.25 puncte
- 2 probleme de 0.5 puncte

Fiecare problema are 5 variante de raspuns si doar 1 varianta este corecta.

Aplicatiile pot fi rezolvate in orice ordine doriti. Pe durata testului, se poate sari de la o intrebare la alta, se pot schimba raspunsurile.

Atentie!

Accesul la test este deschis doar in intervalul precizat mai jos.

Pentru a incepe testul se apasa pe butonul de mai jos "Attempt quiz now" si apoi pe butonul "Start attempt".

Attempts allowed: 1

The quiz will not be available until

Time limit: 1 hour 30 mins

This quiz is not currently available

Home

Access to the test is open only within the specified interval (in this picture you can see an opened test).

To start the test click on "Attempt quiz now" (and then click on "Start attempt" – illustrated on the next page).

STATICS EXAM – PROBLEM SOLVING

4. Access to the test is open only within the specified interval. To start the test, click on "**Attempt quiz now**" and then click on "**Start attempt**".

STATICS EXAM – PROBLEM SOLVING

In **"Quiz navigation"** you can choose any of the 8 questions. The problems can be solved in any order you want. During the test you can jump from one question to another, you can also change your answers.

The problem score is specified by **"Marked out of"** (in this example it is 1.25 points).

"Time left" shows the remaining time to complete the test, it is a countdown that starts at 1h and 30 minutes and decreases to 0 (zero).

Each problem has 5 answer options (a, b, c, d, e) but only one is correct (one answer should be ticked).

Click to display the next problem.

The screenshot shows a browser window with two tabs for 'Examen RO: Test Statica'. The main content area is titled 'Examen Statica - MECONU'. On the left, a 'Quiz navigation' panel shows buttons for questions 1 through 8, a 'Finish attempt ...' link, and a 'Time left 1:29:42' timer. The main question area displays 'Question 1' with a status of 'Not yet answered' and 'Marked out of 1.25'. Below this, there is a 'Flag question' button and a partial question text 'Pentru'. At the bottom, a 'Next' button is visible.

STATICS EXAM – PROBLEM SOLVING

5. The end of the test is done by clicking "**Finish Attempt**" or is done automatically after the time assigned for the test.

The screenshot shows a web browser window with two tabs titled "Examen RO: Test Statica". The page title is "Examen Statica - MECON UTCN RO". The breadcrumb trail is "Home > Site pages > Test Statica > Summary of attempt".
